**PROXY STATEMENT OF  
THE GREENLIGHT ENTITIES**

---

This proxy statement and the enclosed GREEN proxy card are being furnished to you, the shareholders of Mercer International Inc. ("Mercer International" or the "Company"), in connection with the solicitation of proxies by Greenlight Capital, L.L.C. and Greenlight Capital, Inc. (together with its affiliates, the "Greenlight Entities" or "Greenlight") for use at the 2003 annual meeting of shareholders of Mercer International, and at any adjournments, postponements or reschedulings thereof (the "2003 Annual Meeting").

Greenlight is proposing and soliciting proxies in support of a slate of two nominees, referred to as the Greenlight Nominees, to stand for election to the Board of Trustees at the 2003 Annual Meeting. The Greenlight nominees are Guy W. Adams and Saul E. Diamond, and they will be standing for election in opposition to the nominees of the Board of Trustees. The Board of Trustees stated in its proxy statement dated June 19, 2003 that there are two positions on the Board of Trustees that are open for election at the 2003 Annual Meeting and that the trustees elected to these positions will serve until the 2006 Annual Meeting and until their respective successors are duly elected.

**GREENLIGHT URGES YOU TO VOTE "FOR" THE GREENLIGHT NOMINEES ON THE**

**ENCLOSED GREEN PROXY CARD.**

As discussed in more detail under the heading "Election of Trustees" in this proxy statement, shareholders who vote on the GREEN proxy card furnished by Greenlight will be able to vote for the election of the two Greenlight Nominees. The Greenlight Nominees, if elected, will constitute a minority of the members of the Board of Trustees and accordingly, if the full Board of Trustees is present at a meeting, the Greenlight Nominees, by themselves, will not be able to cause any action to be taken or not to be taken by the Board of Trustees.

Mercer International originally announced that the 2003 Annual Meeting would be held on July 15, 2003 and the original record date for such meeting was May 21, 2003. On June 30, 2003, Mercer International announced that it had rescheduled the 2003 Annual Meeting. The 2003 Annual Meeting is now scheduled to be held on Friday, August 22, 2003 at 10:00 a.m. (Vancouver time) at the Terminal City Club, 837 West Hastings Street, Vancouver, British Columbia, Canada. Mercer International has set July 23, 2003 as the record date for determining shareholders entitled to notice of and to vote at the rescheduled 2003 Annual Meeting. Mercer International reported that 16,874,899 shares of beneficial interest were issued and outstanding as of the original record date. As of the original record date, Greenlight was the beneficial owner of 2,517,500 shares of beneficial interest of Mercer International, which represented approximately 14.9% of the issued and outstanding shares of Mercer International on such date.

Information concerning Greenlight, the Greenlight Nominees and other persons who are participants in its solicitation of proxies is provided in this proxy statement under the headings "Election of Trustees" and "Information About the Participants" and in Annex A attached hereto.

## BACKGROUND; REASONS FOR THE SOLICITATION

Greenlight believes that there is a need for new trustees on the Board of Trustees of Mercer International. Greenlight believes that Mercer International has excellent assets, but suffers significant deficiencies in corporate governance. The reasons for Greenlight's belief are numerous and include the following:

### **WE BELIEVE THAT THE BOARD OF TRUSTEES IS IN DISARRAY AND IS NOT DOING ITS JOB IN PROPERLY SUPERVISING MANAGEMENT ACTIVITIES.**

o THE BOARD OF TRUSTEES HAS NOT MET ONCE IN THE LAST SIX YEARS, according to the proxy statements filed by Mercer International for the annual meetings for such years. We do not believe that a Board of Trustees can effectively fulfill its oversight responsibilities without holding actual board meetings where the business and affairs of the Company and the activities of management are openly and actively discussed.

o The Board of Trustees has been a revolving door. There are four candidates (including the newest nominee) that have been replaced since January 2003. In addition, Mr. J.L. Ryu resigned having served less than one year. The Company stated in a press release dated May 7, 2003 that two of its trustees would not be seeking reelection, although one has mysteriously remained in the latest proxy statement filed by the Company.

o As reported in the Form 8-K filed June 18, 2003, Mercer International's chief financial officer who also served as a trustee has resigned, due to an ongoing criminal investigation in Germany unrelated to Mercer International. He was CFO from 1996 to 1999, and again from November 2002 until June 2003, and had been a trustee since 1996.

o The Company shuffled the designated Board terms of certain trustees without shareholder approval between filing its Annual Report on Form 10-K on March 31, 2003 (which indicated that three trustees were to be elected at the 2003 Annual Meeting), and its definitive proxy statement on June 19, 2003. The result of the shuffle was to inexplicably reduce the number of trustees to be elected at the 2003 Annual Meeting from three to two.

o As reported in last year's election results set forth in the Form 10-Q filed November 14, 2002, 71% of the votes cast were withheld from trustees Jimmy S.H. Lee and R. Ian Rigg. In fact, as reported in the November 14, 2002 Form 10-Q, less than 8% of shareholders voted for Messrs. Lee and Rigg, and only 26% of the total shares outstanding voted. After Greenlight questioned whether the 2002 election had a valid quorum, Mercer International filed an amended Form 10-Q on June 30, 2003 changing the previously reported election results. According to the amended Form 10-Q, the number of votes cast for Messrs. Lee and Riggs increased by 2,819,529 and 2,821,629 votes, respectively, from that previously reported. Even as so amended, the total votes for Messrs. Lee and Riggs were less than 25% of the outstanding shares entitled to vote.

o The Company engaged in a recent deconsolidation transaction with related parties that was not disclosed to shareholders for three months, never received a fairness opinion and was never approved by an Independent Committee of the Board of Trustees.

o The Company purchased the Landqart AG swiss mill business in December 2001. At the time, the Company stated that "Landqart became the cornerstone of its planned expansion into the security and specialty papers sections" (2001 Annual Report). As late as October 2002, the Company stated that the "recent acquisition of Landqart AG strengthens positioning" (Form 8-K/A filed October 4, 2002). However:

o The Company deconsolidated Landqart AG in December 2002, but did not bother to announce the transaction until its Annual Report on Form 10-K filed on March 31, 2003. In a complex transaction, the Company sold 20% of Landqart to a Swiss bank and contributed its remaining interest in Landqart (valued at \$10 million) to a limited partnership for a 49% interest in the limited partnership. Another 49% of the partnership is owned by MFC Bancorp Ltd., a spin-out from Mercer International, which contributed unspecified assets with a carrying value of \$7.3 million (Canadian).

o The General Partner of the partnership, disclosed by Jimmy S.H. Lee in the first quarter conference call on May 5, 2003 as Cade Struktur Corporation(1), is controlled by MFC Bancorp

---

(1) The General Partner is technically Equitable Industries, Ltd., as disclosed in Mercer International's Annual Report on Form 10-K, exhibit 10.17. Cade Struktur Corporation listed in its Audited Annual Financial Statements filed on May 20, 2003 with the Canadian Securities Administrators (CSA) that Equitable Industries Ltd., a Turks and Caicos company, is a beneficially-owned subsidiary acquired on December 20, 2002 for a nominal amount. Jimmy S.H. Lee was president and a director of Cade Struktur from July 31, 2001 until his resignation on December 20, 2002. Prior to this period, the CEO of MFC Bancorp (Michael J. Smith) was president and a director.

(25%), with which Mr. Lee is affiliated, and Babington Ltd. (26.6%), a Liberian company. Mercer International's most recent Annual Report on Form 10-K does not list Babington Ltd. as a subsidiary, although Cade Struktur's proxy filed on May 23, 2003 lists it as a wholly-owned subsidiary of Mercer International. Mercer International has recently acknowledged that Babington Ltd. is a wholly-owned subsidiary of Mercer International.

## **WE BELIEVE THAT MERCER INTERNATIONAL'S CHIEF EXECUTIVE OFFICER HAS MULTIPLE CONFLICTS OF INTEREST:**

o As stated in the Company's press release dated June 30, 2003, Jimmy S.H. Lee is a director of MFC Merchant Bank S.A. (an affiliate of MFC Bancorp), with which Mercer International has existing business relationships, including a bridge loan for the amount of E30 million. In addition the last filing made by MFC Merchant Bank S.A. with the Register of Commerce of the Canton of Appenzell Ausserrhoden in Switzerland dated March 6, 2003 lists Mr. Lee as the president of the board of directors of MFC Merchant Bank.

o Jimmy S.H. Lee is the Chairman of Med Net International, Ltd. ("Med Net"), a Canadian corporation of which Mercer International is a significant shareholder (owns 23% of the stock).

o MFC Bancorp issued a takeover bid for Med Net on November 7, 2002.

o Med Net's Board, in its Director's Circular filed with CSA on November 27, 2002, reached the conclusion that the offer was inadequate from a financial point of view, but did not make any recommendation to shareholders. In addition, the Circular stated that "None of the directors or senior officers of Med Net is a director or senior officer of the Offeror [MFC Bancorp] or any of its subsidiaries".

o Not only has Jimmy S.H. Lee had an extensive relationship with MFC Bancorp and its officers in the past, but he has also served as a director of MFC Merchant Bank S.A., and at the time of the offer was a director of Sasamat Capital Corporation (see Annual Information Form filed with CSA on May 20, 2003), an affiliate of MFC Bancorp.

o Although Greenlight is not aware of the current status of the tender offer for Med Net, Greenlight questions whether the \$5.5 million permanent impairment loss in Mercer International's Form 10-Q for the first quarter of 2003 is largely related to its Med Net holdings.

**NOT ONLY HAS MANAGEMENT RUN MERCER INTERNATIONAL WITH LITTLE GOVERNANCE, BUT IT HAS PRODUCED POOR FINANCIAL RESULTS.** Mercer International's five-year total return for the period ended December 31, 2002 has been (-37.0%), versus (-13.1%) for the NASDAQ Market Index and +9.6% for the Industry Index (SIC 262) used for comparison purposes by Mercer International in its definitive proxy statement. Mercer International's stock price is trading at its lowest historical range and is also trading at 35% below book value (based on its most recently reported financial results set forth in its Form 10-Q filed May 13, 2003). We believe that the company's poor stock performance and the low voter turnout and high percentage of votes withheld from management trustees at its last annual shareholder meeting reflect a lack of confidence among investors.

## **GREENLIGHT'S OBJECTIVES**

### **GREENLIGHT'S OBJECTIVES**

Greenlight's objectives are to:

o Establish and implement corporate governance guidelines that conform to evolving best practices being implemented by public companies;

- o Separate the roles of Chief Executive Officer and Chairman of the Board of Trustees and elect an independent trustee as the Chairman;
- o Urge the Board to declassify the Board of Trustees and eliminate any poison pill;
- o Institute better Board independence;
- o Increase Mercer International's low credibility with investors, through greater transparency and better corporate governance; and
- o Ensure that transactions between the Company and its affiliates and with other related companies are considered and approved by a committee of independent trustees.

## **GREENLIGHT'S COMMITMENT**

The Greenlight Nominees have decades of collective management and investment experience. They are wholly independent of Mercer International's current management and are committed to increasing shareholder value by pursuing the objectives discussed above. No assurance may be given that electing the Greenlight Nominees will enhance shareholder value or that the Greenlight Nominees will be successful in meeting any of their objectives given the minority position they would have on the Board of Trustees. The Greenlight Nominees, if elected, are committed to acting in the best interest of Mercer International's shareholders and, subject to their fiduciary duties as trustees of Mercer International, will pursue the objectives diligently and promptly. No shareholder vote will be required for implementation of Greenlight's plan and none is contemplated.

For reasons stated above under the section entitled "Background; Reasons for the Solicitation," Greenlight believes that Mercer International's Board of Trustees needs more active voices independent of the existing Board of Trustees and management to represent the interests of all shareholders and to advocate for maximizing shareholder value. In addition, Mercer International's Trustees' Regulations provide that a special meeting of the Board of Trustees may be called by any two of the trustees. Accordingly, when elected, we expect the Greenlight Nominees will be able to call meetings of the Board of Trustees, which the existing Board has failed to do for six years. Neither of the Greenlight Nominees nor any of their respective immediate family members is an employee of, or a consultant to, or has any other contractual relationship with Mercer International. Neither of the Greenlight Nominees is or has been a partner of or otherwise employed by any present or former auditor of Mercer International in the past five years and neither of them is an officer of a company of which the other Greenlight Nominee is also a board member. We believe that, when elected, each of the Greenlight Nominees will be independent for purposes of the audit committee independence requirements of the Sarbanes-Oxley Act of 2002 and the existing Nasdaq listing requirements for audit committees.

**GREENLIGHT URGES YOU TO VOTE "FOR" THE GREENLIGHT NOMINEES BY SIGNING, DATING AND RETURNING THE ENCLOSED GREEN PROXY CARD (AND NOT TO RETURN ANY PROXY CARD SENT TO YOU BY MERCER INTERNATIONAL).**

## **ELECTION OF TRUSTEES**

Mercer International's Board of Trustees is divided into three classes of trustees, with each class serving a three year term. Based on Mercer International's definitive proxy statement filed with the SEC on June 19, 2003, the Company presently has seven trustees serving on the Board of Trustees and two trustees are to be elected at the 2003 Annual Meeting, each to hold office until the 2006 annual meeting of shareholders and thereafter until his successor is elected and qualified.

Greenlight has nominated two members to stand for election to the Board of Trustees, and the incumbent Board of Trustees has designated two nominees to stand for election, referred to as the Mercer Nominees.

Accordingly, there will be four nominees (two Greenlight Nominees and two Mercer Nominees) for two trustee positions on the Board of Trustees. Shareholders who vote on the GREEN proxy card furnished by Greenlight will be able to vote for the two Greenlight Nominees. Shareholders who use Mercer International's proxy card will not be able to vote for any of the Greenlight Nominees. Accordingly, any shareholder who wishes to vote for the Greenlight Nominees should vote on Greenlight's GREEN proxy card.

The two Mercer Nominees are identified in the proxy statement filed by Mercer International on June 19, 2003. Any shareholder who wishes to vote for one of the Greenlight Nominees and for one of the Mercer Nominees will be unable to do so on either Greenlight's GREEN proxy card or Mercer International's proxy card, and may only do so by voting by ballot at the 2003 Annual Meeting. Shareholders who use the GREEN proxy card may vote for or against any Greenlight Nominee by putting an X in the space provided.

Greenlight's Nominees are Guy W. Adams and Saul E. Diamond. Based on their extensive business and professional experience, we believe that the Greenlight Nominees are highly qualified to serve as trustees of Mercer International. Each Greenlight Nominee has consented to serve as a trustee of Mercer International if elected and to be named in this proxy statement and in Greenlight's other soliciting materials as a Greenlight Nominee.

## INFORMATION ABOUT GREENLIGHT NOMINEES

Each Greenlight Nominee has furnished the information about him that is provided in this proxy statement. Additional disclosure regarding the Greenlight Nominees and the other participants in our solicitation can be found in Annex A to this proxy statement. None of the Greenlight Nominees is an affiliate of Mercer International.

In addition, Mr. Diamond was a Director of Kane Magnetics International, Inc., a privately held manufacturer of permanent magnets and magnetic systems, from 1996 to 2002.

Each Greenlight Nominee has entered into an agreement with Greenlight that provides that Greenlight will indemnify and hold harmless such nominee from any and all damages, judgments, fines, settlements, losses and expenses incurred by such nominee resulting from any action, suit or proceeding based upon or arising from the solicitation of proxies to which this proxy statement relates and such trustees' ongoing services as a trustee to the extent not otherwise indemnified by Mercer International, other than certain excluded losses.

In addition, Guy W. Adams has entered into an agreement with Greenlight that provides that Greenlight will (1) give Mr. Adams a one-time payment of \$75,000, (2) grant Mr. Adams a one year option to purchase 100,000 shares of beneficial interest of Mercer International held by Greenlight affiliates with an exercise price of \$4.53 per share, and (3) grant GWA Investments LLC an option to purchase 225,000 shares of beneficial interest of Mercer International held by Greenlight affiliates with an exercise price of \$4.53 per share, which option expires upon the later to occur of 60 days from the date of the agreement or 30 days after the 2003 Annual Meeting. This option for 225,000 shares expires if Mr. Adams is not elected to the Board of Trustees.

Saul E. Diamond has entered into an agreement with Greenlight that provides that Greenlight will (1) give Mr. Diamond a one-time payment of \$100,000 and (2) grant Mr. Diamond a one year option to purchase 50,000 shares of beneficial interest of Mercer International held by Greenlight affiliates with an exercise price of \$4.53 per share.

Each of Greenlight's Nominees, if elected, will be entitled to receive compensation customarily paid by Mercer International to its trustees, which is described in the definitive proxy statement filed by Mercer International on June 19, 2003.

We have no reason to believe that any of the Greenlight Nominees will be disqualified or unwilling or unable to serve if elected. Greenlight reserves the right to nominate substitute persons if Mercer International makes or announces any changes to its Declaration of Trust or takes or announces any other action that has, or if consummated would have, the effect of disqualifying any of the Greenlight Nominees. In addition, if Mercer International causes any additional trustees to be voted upon at the 2003 Annual Meeting, Greenlight reserves the right to nominate additional persons to fill the added positions. Shares represented by Greenlight's GREEN proxy cards will be voted for any such substitute or additional nominees of Greenlight.

King & Co., Inc. at 1-800-848-3416. Banks and brokers may call D.F. King collect at (212) 269-5550. **REMEMBER, YOUR LATEST-DATED PROXY IS THE ONLY ONE THAT COUNTS.**

## **IF I PLAN TO ATTEND THE 2003 ANNUAL MEETING, SHOULD I STILL SUBMIT A PROXY?**

Whether or not you plan to attend the 2003 Annual Meeting, we urge you to submit a proxy. Returning the enclosed proxy card will not affect your right to attend the 2003 Annual Meeting and vote.

## **WHO CAN VOTE?**

You are eligible to vote or to execute a proxy only if you own shares of beneficial interest of Mercer International on the record date for the 2003 Annual Meeting, July 23, 2003. Even if you sell your shares after the record date, you will retain the right to execute a proxy in connection with the 2003 Annual Meeting. It is important that you grant a proxy regarding shares you held on the record date, or vote those shares in person, even if you no longer own those shares.

## **HOW MANY VOTES DO I HAVE?**

With respect to each matter to be considered at the 2003 Annual Meeting, each shareholder will have one vote for each share of beneficial interest of Mercer International held by it on the record date. Based on documents publicly filed by Mercer International, Mercer International has no outstanding voting securities other than its shares of beneficial interest.

## **HOW WILL MY SHARES BE VOTED?**

If you give an executed proxy on the accompanying GREEN proxy card, your shares will be voted as you direct. If you submit an executed proxy to us without instructions, our representatives will vote your shares "FOR" the two Greenlight Nominees (as discussed in the "Election of Trustees" section of this proxy statement) and will "ABSTAIN" with respect to the ratification of the independent auditors. Submitting a GREEN proxy card will entitle our representatives to vote your shares in accordance with their discretion on matters not described in this proxy statement that may arise at the 2003 Annual Meeting.

Unless a proxy specifies otherwise, it will be presumed to relate to all shares held of record on the record date by the person who submitted it.

## **WHAT IS A QUORUM AND WHY IS IT NECESSARY?**

Conducting business at the 2003 Annual Meeting requires a quorum. Shareholders representing one-third of the outstanding shares entitled to vote at the 2003 Annual Meeting represented in person or by proxy shall constitute a quorum. Under the Washington Business Corporation Act, abstentions and broker non-votes are treated as present for purposes of determining whether a quorum exists.

## **WHAT VOTE IS REQUIRED TO APPROVE EACH PROPOSAL AND HOW WILL VOTES BE COUNTED?**

If a quorum is present, trustees will be elected by the votes of a majority of the shares cast in person or by proxy at the 2003 Annual Meeting. Under applicable Washington law and Mercer International's Declaration of Trust, abstentions and broker non-votes will have no effect on the vote of the election of the trustees. Shareholders do not have the right to cumulate their votes.

Each other proposal will be adopted by the votes of a majority of the shares cast in person or by proxy at the 2003 Annual Meeting. Under applicable Washington law and Mercer International's Declaration of Trust, abstentions and broker non-votes will have no effect on the vote of such proposals.

Required information concerning the necessary vote to approve any other matters being voted upon at the 2003 Annual Meeting and the effects, if any, of abstentions and broker non-votes on such other matters, are set forth in the definitive proxy statement filed by Mercer International and, in accordance with Rule 14a-5(c) under the Exchange Act, reference is made to such proxy statement for such information.

## **HOW CAN I RECEIVE MORE INFORMATION?**

If you have any questions about giving your proxy or about our solicitation, or if you require assistance, please call D.F. King & Co., Inc. at 1-800-848-3416. Banks and brokers may call D.F. King collect at (212) 269-5550.

## **PROXY SOLICITATION AND EXPENSES**

The solicitation to which this proxy statement relates is being made by the Greenlight Entities and the Greenlight Nominees (the "Participants"). The Participants may solicit proxies in person and by mail, press release, advertisements in newspapers, magazines and/or trade publications, telephone, telecopier, telegraph, electronic mail, Internet (World Wide Web) publication, television, radio and newspapers. No person identified above has or will receive compensation for soliciting proxies.

The Participants will ask banks, brokers, custodians, nominees, other institutional holders and other fiduciaries to forward all soliciting materials to the beneficial owners of the shares that those institutions hold of record. Greenlight will reimburse those institutions for reasonable expenses that they incur in connection with forwarding our materials.

Greenlight has retained D.F. King & Co., Inc. to solicit proxies on its behalf in connection with the 2003 Annual Meeting. D.F. King may solicit proxies from individuals, banks, brokers, custodians, nominees, other institutional holders and other fiduciaries and will employ approximately 20 people in its efforts. Greenlight has agreed to reimburse D.F. King for its reasonable expenses (subject to certain limitations), to indemnify it against certain losses, costs and expenses, and to pay it fees of \$25,000.

The entire expense of this proxy solicitation is being borne by Greenlight. Greenlight may, particularly if the Greenlight Nominees are elected to Mercer International's Board of Trustees, seek reimbursement of its expenses from Mercer International. Greenlight does not intend to seek shareholder approval of any such reimbursement.

In addition to the costs related to the engagement of D.F. King & Co., Inc., costs related to our solicitation of proxies include expenditures for printing, postage, legal services and other related items. Total expenditures are expected to be approximately \$200,000. To date, Greenlight has incurred approximately \$150,000 in furtherance of its proxy solicitation. Such amount is in addition to the payments made to the Greenlight Nominees discussed herein.

### **INFORMATION ABOUT THE PARTICIPANTS**

The Greenlight Entities and the Greenlight Nominees are participants in Greenlight's solicitation of proxies for the 2003 Annual Meeting within the meaning of the federal securities laws. Information related to the Participants, including their beneficial ownership of Mercer International's shares of beneficial interest, is set forth on Annex A to this proxy statement and is incorporated into this proxy statement by reference. Except as set forth on Annex A, none of the Participants is party to any commercial dealing with Mercer International or its subsidiaries that is required to be discussed in this proxy statement by the federal securities laws. Information in this proxy statement about each Participant was provided by that Participant.

### **INFORMATION ABOUT MERCER INTERNATIONAL**

Based upon Mercer International's definitive proxy statement filed with the Securities and Exchange Commission (the "SEC") on June 19, 2003, the mailing address of the principal executive offices of Mercer International is 14900 Interurban Avenue South, Suite 282, Seattle, Washington 98168.

Annex B sets forth information obtained from Mercer International's public filings related to the beneficial ownership of shares of beneficial interest of Mercer International and is incorporated in this proxy statement by reference.

Except as otherwise noted herein, the information in this proxy statement concerning Mercer International has been taken from or is based upon documents and records on file with the SEC and other publicly available information. Although Greenlight does not have any knowledge indicating that any statement contained herein is untrue, we do not take any responsibility, except to the extent imposed by law, for the accuracy or completeness of statements taken from public documents and records that were not prepared by or on behalf of Greenlight, or for any failure by Mercer International to disclose events that may affect the significance or accuracy of such information.

### **OTHER MATTERS TO BE VOTED UPON**

At the 2003 Annual Meeting, in addition to electing trustees, Mercer International intends to ask shareholders to ratify the appointment of Deloitte & Touche LLP as its independent auditors for the fiscal year ending December 31, 2003. Greenlight does not make any recommendation with respect to the ratification of Deloitte & Touche LLP as Mercer International's independent auditors for the fiscal year ending December 31, 2003. If shareholders provide instructions regarding the ratification of the auditors on the enclosed GREEN proxy card, Greenlight will vote the shares as directed; if no instructions are given, shares represented by Greenlight's GREEN proxy card will abstain on this matter.

Submitting a GREEN proxy card will entitle the named proxies to vote your shares in accordance with their sole discretion on matters not described in this proxy statement that may arise at the 2003 Annual Meeting.

### **FUTURE SHAREHOLDER PROPOSALS**

Based on information set forth in Mercer International's definitive proxy statement filed with the SEC on June 19, 2003, any proposal that a shareholder intends to present at the next annual meeting of shareholders of Mercer International must be received by the Company on or before January 30, 2004. As set forth in such proxy statement, a shareholder must submit such a proposal to the Company for inclusion in the proxy statement for the next annual shareholders' meeting on or before April 16, 2004, or the Company's management will have discretionary authority to vote proxies received for such meeting with respect to any such proposal. Greenlight notes that Rule 14a-8 of the Securities Exchange Act of 1934, or the Exchange Act, states that the deadline for submitting a shareholder proposal for a company's annual meeting shall be no less than 120 calendar days before the date of the company's proxy statement released to shareholders in connection with the previous year's annual meeting. Further, Greenlight notes that for a proxy to confer discretionary authority to vote, Rule 14a-4 of the Exchange Act requires that the company have notice of the proposal at least 45 days before the date on which the company first mailed its proxy materials for the prior year's annual meeting. Such rules also provide that if the date of the Company's annual meeting has been changed by more than 30 days from the date of the previous year's annual meeting, the deadlines are a reasonable time before the company mails its proxy materials. Accordingly, to the extent the date of the next annual meeting for Mercer International is more than 30 days from the date of the 2003 Annual Meeting and depending on the date Mercer International mailed its proxy materials for the 2003 Annual Meeting, the dates set forth above may be changed.
